Community Services Monthly Report
Board of Directors Open Meeting
October 27, 2020

Member Services: We currently have registered 550 powered vessels and 380 Non-powered vessels for the lake. We are no longer able to register anymore powered vessels for the 2020 year but will begin 2021 registration in December. We currently have 86 slips rented out. At this time, we have currently suspended facility rentals due to the Covid 19 restrictions. Our Office opened back up to the public on October 1, 2020. We are still encouraging everyone to handle business remotely as much as possible, but we are open for those situations that require in person contact. Our office hours are Tuesday- Friday from 7:30 am - 6:00 pm. We can always assist you by email as well, admin@svla.com.

Community Services report:

We had our first ever movie in the Park on October 2, 2020. The feature presentation was the Sandlot and it was a big hit. We had a large crowd show up and everyone was asking for us to do more movies in the park, so you will definitely see more on the schedule next summer. There were food vendors available for dinner and snacks and we handed out free popcorn. At the end of the show everyone began clapping and cheering, it was a great experience and we can't wait to do another one.

We had an incredible turn out for our paint night on October 9, 2020. We came in at 81 reservations and everyone came to have a great time. Blank Canvas Paint Nite did an outstanding job at hosting the event for us and we loved seeing everyone having a great time creating their masterpieces. There were some beautiful pieces created and all who came had a great evening.

We had our last concert of 2020 on October 23rd and we had a great performance by The Rob Staley Band, as usual. They are always a favorite of the community. The food vendors served delicious food and treats and everyone was bundled up to enjoy the chilly evening.

We still have space available for our Virtual Halloween Camp Out... All registrants will receive a camp out kit packed full of all kinds of games, activities and crafts to do as a family. This is a great opportunity, especially for families with young children... Don't miss out! You can download a registration form from our website www.svla.com.
