Architectural Liaison/ Code Enforcement Manager

- **Code Enforcement**

- All notices are sent to the property owner(s) or if specified property management. Tenants and/or guest are the responsibility of the owner(s) as stated in our R&R's 1.2
- We have noticed an increase in the number of vehicles parking on unimproved surfaces and have been issuing more violations so please watch for this when you are parking or have people visiting your home to avoid getting citations
- Should you receive a citation you can always appeal the decision and it will be reviewed by the citation review committee or the board of directors depending on if the board has ruled on the citation or not. Put the specific reasons why you feel the fine should be reversed or reduced on the form. We recommend that you don't appeal citations if the issue you were cited for still persists as you can appeal each citation only once.
