- ## Code Enforcement

- With the weather warming up and the rain we are going to be getting a lot more weeds please make sure to take a second when you see any pesky weeds at your home

- If you have a violation you would like an officer to check on you can email code@svla.com with the address and what the issue is and a code officer will look into the issue to make sure they are in compliance

- Please respond to courtesy notices should you get one. There is a response form with every notice that you can returned via email, fax, drop off, mail, or you could give us a call. If you have questions on what is being asked, please call or come into the association office. We would be happy to help explain what the violations are for or your options to appeal should things go past a courtesy notice.

- Open Violations in the stats below are newly opened items and started the enforcement process and closed violations are violations that were closed by either being corrected by the resident or the board ruled on fines
