Spring Valley Lake

Equestrian Estates Newsletter

What the *hay* is going on around here? Read on to find out!

Maintenance Updates

On Wednesday, Feb 8th, we replaced/updated the lighting at the round pens; they now run on two 60-minute timers, as discussed at the last Equestrian Estates committee meeting. And on Thursday, Feb 9th, we will be grading both round pens. We are also aware of and currently working on repairing the broken fence at the arena.

Code Enforcement Reminders

As springtime approaches our code enforcement department kindly reminds you to look out for and remove any weeds that begin to pop up. Also, before you D-I-Yers begin your projects, don't forget to submit an Architecture Application for approval.

Equestrian Estates Committee

Thank you to all who attended the last meeting on January 31st. The discussion provided insight into how we can make the Equestrian Center more organized, as well as how we can improve communication between the boarders and management. Thanks to the conversation that night we even got this newsletter started! Everyone is welcome to attend the next committee meeting on, Tuesday, March 14th at 6pm at the Equestrian Clubhouse.

What sort of horses come out after dark?

Night-mares

A Message from Public Safety

California leads the nation in the number of Catalytic Converter thefts. Please be vigilant. If you see suspicious activity or hear unusual sawing or grinding sounds, please report it to the San Bernardino County Sheriff Department at 760-956-5001 and the Public Safety Department at 760-245-6400.

Intent to Run

It's that time of the year again... the community gets to elect three directors for the SVL Board! Intent to Run forms are available to download at www.svla.com and at the Association Office. The deadline is Friday, February 10, 2023, by 3:00 PM.
