Community Updates

From the Maintenance Department

Our Maintenance department has been getting our community ready for summer over these last few weeks. Lately they have repaired EQ park fences, maintained fishing areas, and inspected or repaired SVLA signage around the neighborhood.

Now that summer events are in full swing, our maintenance department has been helping set up and clean up events like the concerts. They also have started preparing for the highly anticipated, annual Firework Show by repairing our barges.

Thank you, Maintenance, for all you do!

Member ID's

Earlier this year, the board decided to lower the age limit for SVL Member ID's.

Any person aged 9 and older must have their member ID or a guest pass while on Association Property.

Replacements can be purchased in the Association Office, \$10 per card and cash only.

Planning on having more guests? Residents can request 6 additional one-day passes four times per year.

What kind of wine is a horse's favorite?

Chardon-Hay!

Committees

Sign up today to join an SVL Committee! There are seats open on the following committees:

- Equestrian Estates
- Community Event
- Citation
- Finance

If you're interested in joining a committee, please submit an application to the Association Office.

All applications are approved by the board. To have your application reviewed at the July board meeting, please **submit by July 14th.**

Summer Safety

A Message from the Public Safety Department

Our Public Safety department wants to encourage all homeowners to invest in a security system and/or a camera system. If suspicious activity occurs, anyone with video footage is encouraged to share with the Sheriff Department.

Residents can also invest in motion activated spotlights or outdoor lights to illuminate their residence as someone approaches.

As always, if you witness or hear anything suspicious, please call the Sheriff Department at 760-956-5001 or Public Safety at 760-245-6400.

Equestrian Committee

The Equestrian Estates Committee meets every 3rd Tuesday of every other month. **The next meeting is on Tuesday, July 18th.**

The Committee meets at 6pm at the Equestrian Center Clubhouse, 12660 Indian River Dr.

Friendly Reminder

Remember the bridle trails are for horses not cars. Please refrain from parking on the trails.

Annual Inspections

A Message from Code Enforcement

Our Code Enforcement department has begun the annual inspections of the community. Before they come to your property, make sure you pull any pesky weeds. Also, anyone making any changes or additions to the exterior of their property must first submit an architectural project application before beginning work.

Applications are available on our website or in the Association Office.

When ready to submit, scan the QR code to make an appointment or visit our website.
