## Community Updates

From the Maintenance Department

Our Maintenance department has been busy trying to defend our grassy neighborhood areas from drying out in the heat. In the Equestrian Center, they have been diligent in replacing the rodent traps along with fixing the back walk-through gate.

Our Maintenance department has also been helping with the setup and clean-up of Association events. And **don't forget, the beach area is closed for cleaning from 5:00pm Wednesday to 6:00am Thursday.**

Thank you, Maintenance, for all you do!

## B.O.D. Meetings

SVL Members are encouraged to attend board meetings to stay informed about the community.

**The Semi-Annual Membership Presentation of the 2023-2024 Budget will take place on Saturday, August 19th at 10am at the Community Center.**

The next upcoming **open board meeting will take place on Tuesday, August 22nd at 6pm** at the Community Center.

## Vessel Slips Available

The vessel slips are finally finished and ready to use! Construction is still ongoing for the gas pump and the Lake Office, but, we are pleased to announce that all slips are able to store vessels again.

Currently, there are eleven slips available to rent.

## Reminder

Remember the bridle trails are for horses only, not motorized vehicles or other animals.

## Hot! Hot! Hot!

### A Message from the Public Safety Department

We are in full swing of days that are above 100-degrees. Our Public Safety department wants to remind Members to stay cool and hydrated to prevent heat exhaustion, or worse, heat stroke.

Both heat exhaustion and heat stroke occur when the body becomes overheated and cannot cool itself.

Symptoms include:

- General Weakness
- Increased Sweating
- Pale, Clammy Skin
- Possible Fainting or Lightheadedness

If you begin experiencing symptoms, first try to find a cooler location and, if possible, remove a layer of clothing. Drink plenty of cold water and lie down.

If you begin vomiting or lose consciousness, seek professional medical attention immediately. **Heat stroke is considered a medical emergency, do not hesitate to dial 911.**

As always, our Public Safety department is available 24 hours a day.

## Equestrian Committee

On August 3rd, the Equestrian Estates Committee held an emergency meeting to discuss stable management and additions to stalls.

We encourage all active boarders and residents of the Equestrian Estates to attend all committee meetings to stay informed and provide their opinion about ongoing issues.

The Equestrian Estates Committee meets every 3rd Tuesday of every other month. **The next meeting is on Tuesday, September 19th.**

The Committee meets at 6pm at the Equestrian Center Clubhouse, 12660 Indian River Dr.
