Community Updates

From the Maintenance Department

Since we began utilizing a pest control service regularly, sightings of rodents have decreased. We will continue to utilize the service provider until the issue is completely resolved.

Our maintenance department has been hard at work, improving the Equestrian Center, including:

- Replacing the lightbulb at the Flagpole,
- Repairing the bathroom door and bulletin board, and
- Painting the trim and doors.

Also, as discussed in the last committee meeting, **all boarders will be required to make an appointment for any farriers and vets entering the center. A QR Code was made and is posted at the Equestrian Center.**

Flavorful Food!

Join us every Thursday for Grub Club at Meadowlark Park! From 5pm-8:30pm come out and grab a delicious bite with the family!

*Member ID's and guest passes are required on Association Property.

Grub Club will resume after the Thanksgiving holiday.

B.O.D. Meetings

SVL Members are encouraged to attend board meetings to stay informed about the community.

The next open board meeting will take place on **Tuesday, December 5th at 6pm** at the Community Center.

Package Service

From the Public Safety Department

This holiday season, be mindful of your packages. Here are some helpful tips to follow:

- If you're expecting a delivery while you are away from home, try contacting the delivery company and request to pick it up from an authorized facility.
- Ask a friend, neighbor, or family member to pick up your package after delivery to your door.

If you still require assistance, you can contact the Public Safety department. An officer can attempt to conceal your package from the general view of the public. If this cannot be done, our Public Safety department can hold your package for up to 24 hours. A held package can only be picked up by the owner with valid I.D. that matches the name on the package.

Please use this option as a last resort.

This is a special courtesy for the holiday season; we are not responsible for any damages that occur.
