## Community Updates

From the Maintenance Department

Because of the Association Office remodel, our maintenance team has been busy moving furniture, and helping the admin and code enforcement staff settle into their new, temporary home at the Community Center.

They have also been taking care of daily checks around the community, including trash cans, doggy bags, and weed abatement.

Over the past few weeks, at the EQ center itself, our team has cleaned out the feed room and replaced the missing tie at the wash racks.

Thank you, Maintenance, for all you do!

## Flavorful Food!

Join us **every Thursday** for Grub Club at Meadowlark Park! From **5:30pm-8:30pm** come out and grab a delicious bite with the family!

**This evening come get some tacos from Pacifico Azul Mariscos!**

Remember member ID's and guest passes are required on Association Property.

## B.O.D. Meetings

SVL Members are encouraged to attend board meetings to stay informed about the community.

The **next open board meeting will take place on Tuesday, October 24th at 6pm** at the Community Center.

*What score did the horse get on his exam?*

*Hay-plus*

## Reminder

Remember the bridle trails are for horses only, not motorized vehicles or other animals.

## A Message from the Public Safety Department

As the winter season approaches it will start to get dark earlier in the day. If you have outside lights, remember to adjust your timers accordingly.

We have seen a huge increase in loose dogs throughout the community. Always remember to keep your doors and gates properly secured. If you haven't already, get pet tags from the Association Office. Be advised, Public Safety can only hold animals with an SVLA pet tag, all others will be picked up by Animal Control.

As the holidays approach, we want to remind the community to have fun while staying safe.

- Cooking fires remain the #1 cause of injury during the holidays; never leave cooking food unattended on the stove and only fry turkeys outside of the home.
- Always buckle up and NEVER drive drunk!

Our Public Safety department is available 24 hours a day, but **in the event of emergency always dial 911.**

## Equestrian Committee

We encourage all active boarders and residents of the Equestrian Estates to attend all committee meetings to stay informed and provide their opinion about ongoing issues.

The Equestrian Estates Committee typically meets the 3rd Tuesday of every other month. Because of the holidays, **the next meeting is on Wednesday, November 8th.**

The Committee meets at **6pm at the Equestrian Center Clubhouse**, 12660 Indian River Dr.

### Fee Increase

This is a notice about the Equestrian Stall fee increase for the upcoming 2023-2024 year:

**As of November 1, 2023, the horse boarding fees will be increased from \$350.00 to \$400.00 per month, and the daily rate will increase from \$20.00 to \$25.00.**

Discussion about the new year's fees will take place at the upcoming board meeting on Tuesday, Oct. 24th at 6pm.

### Member List

We want to make the community aware that all members can request a membership list from the Association, per Civil Code §5225. Per civil code §5220, you may opt out and have contact information excluded from the list.

To opt out of sharing this information, members would need to notify the Association in writing. This opt out would remain in effect until changed by the member.

If you would like to opt out please contact the Association Office

# A Message from Code Enforcement

The code enforcement department is still conducting annual inspections. Try to be proactive about weeds and bare dirt before they stop by your property.

The department is also trying to utilize less paper and save trees; more notices will be sent by email. If you need to update your contact information, please call the Association Office.

**Feel free to send all questions and correction photos to [code@svla.com](mailto:code@svla.com)**
