### **Message from the General Manager for May 2019**

#### **Thank you**

Amy Stanton – SVLA President

I want to thank you, personally, for the wisdom and guidance you have offered me during the four years you have served Spring Valley Lake Association. You helped the association in ways most residents will never hear about. You are highly intelligent and you push others to be better. I really appreciate you and respect what you have accomplished here in SVLA. I hope that you take some well-earned time now to enjoy yourself and your family.

#### **John Smith – SVLA Vice President**

John! We will miss you. Thank you for always having our back and being willing to fight for what you felt was in the best interests of the community. We want to wish you and your family the very best.

#### **Steve Orr – SVLA Director**

Steve, thank you for making me smile and laugh, so often. Your sense of humor during difficult times has helped more than you could know. I wish you and your family the best in your future endeavors.

I want to thank you all for volunteering to improve your community.

#### **Code Enforcement**

Within the past 30 days, we have changed a few things. Each employee in our Code Enforcement team has been assigned a different area /responsibility. We've also increased the training and review of the CC&Rs. I am confident you will notice a difference in our teams' knowledge and attention to violations in the community.

Additionally, and concerning residents who have failed to either comply or to take steps to resolve their violations, we have dispatched a few more properties to our attorney. This is the first step in bringing legal action to compel compliance. As I stated before, we will use every resource available to gain that compliance. We would rather work with our residents and not issue citations or take legal action, but we will do so if we consider it necessary. We thank you all for your understanding and support regarding the enforcement of your community governing documents.

#### **We are looking for sponsors**

Are you a local business that is looking to give back to a positive cause in the community? We are looking for a sponsor, each month. If you are interested and would like more information please send me an e-mail at [Alogan@svla.com](mailto:Alogan@svla.com). We would like to bring more positivity to our community and we want our local businesses to be a part of it. Don't miss out on this great opportunity.
