

**Spring Valley Lake Association**

13325 Spring Valley Parkway

7001 SVL Box

Victorville, CA 92395-5107

**Message From the Board President for November 2017**

I would like to wish you all a Merry Christmas and an amazing New Year! Thank you all for trusting me as your General Manager. I look forward to 2018 and working with you all to improve / maintain the Jewel of the High Desert.

**Property Enhancements**

As you know, our Code Enforcement and Architectural team has been busy and thorough in ensuring our Rules & Regulations (CC&Rs) are being enforced. I would like to thank all of the residents that are enhancing their property. We truly do see a positive difference in the community and as I promised the appearance of Spring Valley Lake will continue to improve. We have had an increase in projects completed. Here are a few examples of residents that are taking pride in their community and making some awesome improvements to their home.

**Storm Drains**

Good news. Over the past few months I have received some concerns regarding our storm drains. Our team conducted a meeting with two Public Works supervisors. We discussed the concerns of our residents and we are excited to report that SVL is on their upcoming schedule for cleaning. I want to remind all of our residents that most of the debris cleaned out of our drain basins comes from residents' trees and personal trash. We ask that you all make an effort to clean up the trash and landscaping around your property. We thank you in advance for your help in keeping our community looking amazing!

Al Logan  
SVLA General Manager
