Message from the General Manager for November 2018

New Budget

As most of you know, the new 2018/2019 budget started on November 1, 2018. We are looking forward to the 2018/19 financial year. Here are some (but not all) of the major areas where we will be focusing our efforts:

- Amenity maintenance
- Code Enforcement – Compliance
- Completion of the Media Lounge
- Clarity of the lake
- More community involvement / volunteers
- Phase 2 of the park plan
- A review of all reserve items that are up for, or in need of, replacement
- Staff development and training
- Upgrade of the picnic area near the association office. (“Non-fishing Area 1”)
- Other business.

We look forward to working together with the board and the residents, to continue improving our amazing community.

Please don't forget that the quarterly assessments were due on November 1, 2018. They will be considered **late**, after November 15, 2018.

Please remember to look for us on Facebook and Instagram, as well as sign-up for our e-blasts. We aim to increase our community subscribers by over 30%, this year. Communication is important to us. We believe you should be informed about what's happening in your community and that the information should be credible.
