Message from the General Manager for September 2018

New Budget

The budget for 2018-2019 has been approved.

The new yearly assessment is \$1,085.00.

This year we kicked off the meeting by reading out SVLA's mission and vision statements. We are committed to the mission and the vision of SVLA. This means that SVLA's staff will use the mission statement and vision as their guiding principles in everything we do, and we will always strive to achieve the stated mission.

I have included a copy of SVLA's mission and vision statement in this article, for your review. I believe every resident should read these. We should all strive to achieve these goals as a community.

I would like to personally thank Elaine Behrse, Linda Titus and Greg Hillers of the budget committee. We very much appreciate your help, the time you spent on the budget, and the fact that you went out of your way to make sure you looked out for the best interests of SVLA's residents.

Are you new to the community?

Come out and learn about your community! I would like to welcome you, personally, to the Spring Valley Lake Association.

We will be partnering with the Country Club for our new resident orientation on September the 27, 2018, at 5:30 p.m. We are excited to have the Country Club as our partner and greatly appreciate their hospitality. There will be complimentary hors d' oeuvres, wine / beer and giveaways! Please call to confirm your attendance. (760-245-9756 x. 120)
