### **Public Safety Director's Monthly Report Board of Directors Regular Meeting**

April 23, 2013

- We are in the process of ramping-up our operation for the summer months. We are conducting Lifeguard and Seasonal Officer interviews.
- We have moved the Sheriff's Deputy and the Citizen's on Patrol assigned to our community into the Public Safety office. They will have a better workspace and though we have a great working relationship with them, it will improve upon the interaction between Public Safety and the Sheriff's Department.
