Public Safety Director's Monthly Report Board of Directors Regular Meeting

March 26, 2013

- You may have heard that on 2-20-13, there was a stabbing incident on the parkway just at the entrance of SVL. This was the result of a road-rage incident that started on Bear Valley and ended up stopped at the entrance to our community. Two males were fighting when one pulled out a knife and stabbed the other multiple times. The victim and the suspect are not residents of SVL. The victim, though stabbed critically, is recovering. The suspect is still unidentified.
- On 3-1-13, a homicide occurred in the Thorny's parking lot. Many residents have approached me concerned because they heard it was a shooting. This terrible incident was the result of one male approaching another male and hitting him so hard he fell and hit his head, resulting in his death. No weapons were involved.
- Just a reminder that the link to the Sheriff's Department Crime Mapping is now on the SVLA website. You can check this link anytime to see any crimes that may have occurred in our area.
