Message from the Board President for December 2019

As we approach this Holiday season, your Board wishes you all a happy and safe holidays.

This has certainly been a very busy year for our community & Association. We have made progress on a solution for the lake, researching opportunities regarding the Country Club and watched as the County has begun it's work on repaving our streets; all that, on top of the normal activities and management of all the other amenities of the Association.

This last summer we organized more events for the youth in our community. These events were well received, and we look forward to doing the same and more in 2020.

In our last budget, we approved an additional \$10,000 for youth activities. This was specifically set aside to work with the revived Youth Committee the Board also approved. We are very happy to announce that this committee is in the process of being formed. If anyone is interested in applying to work on this committee, please contact the Association office for an application or go to our website, www.svla.com, to download the form.

We are also very pleased that Jackie Zarate Collins has stepped up to help in organizing this committee. Jackie has some great ideas, passion and plenty of energy to help get this committee going. We look forward to the exciting work this committee will be providing for the youth of our community.

Once again, happy holidays to all. Stay safe, enjoy the season, family and more.

-Rory Shannon
