Message from the BOD President for May 2018

Congratulations to new Board members Deedee Garcia, Brad Letner, Mark Sedam, and Ryan Williams! Thank you to everyone who took the time to vote and helped us reach quorum. In that we will have another election in less than a year, and another one the next year, and the next year...., it would be beneficial for SVLA to review and create election guidelines and brainstorm ways to increase homeowner participation in elections. Hopefully we can create an election committee to take on these tasks.

Thank you to our outgoing Board members. Each individual brought their own strengths to the Board. Rob McCoy had the talent of listening to other people's views and finding something to agree with and then getting them to consider an opposing view. Loren Keith helped the Board and community with his law enforcement knowledge. Christopher Huntingford provided multiple opportunities for community members to give their input on the park plan and then pushed for action on a plan that incorporated as much as possible. Steve Garcia utilized his strong leadership skills to facilitate the making of tough, informed decisions for the good of the community. Although their terms have ended, their contributions will continue to benefit the community.

Returning Board members - John Smith and Steve Orr - and the new Board members are committed to making Spring Valley Lake the best it can be. If you have suggestions, please send them in an email to board@svla.com or bring them up during the Homeowners' Open Forum at the next Open Board meeting on May 22, 2018.

Summer kicks off this month. Join us on May 18th at West Beach for the first summer concert and take advantage of the many amenities SVLA offers.
